TRANSFERPRO

TransferPro™ allows you to read and write Macintosh files directly from your PC. TransferPro is a fast and easy file transfer solution. TransferPro reads, writes and formats Macintosh media including SyQuest™ , Bernoulli ™, Iomega™ Zip, data shuttle drives, Pinnacle Micro™, Sony™, MOST™, Ricoh™ and other magneto-optical drives, SCSI hard drives and CD-ROM drives. TransferPro features graphics viewers and converters and a high quality, easy to use Windows-based installer with an automatic configuration feature. TransferPro is available for Windows, Windows 95 and Windows NT.

Logicraft Information Systems

FASTCD™, LANCD

FastCD™ is an option available with Logicraft's LanCD™ networking software for providing multiple concurrent access to CD-ROM applications in a multi-platform, multi-protocol networking environment. FastCD creates "virtual CD-ROM discs" on fast, high performance SCSI hard drives by caching the entire contents of a CD-ROM in its native format onto a FastCD partition of the hard disk, providing users with easy access to their CD-ROM applications at hard disk speeds up to 300 times faster than standard CD-ROM drives. FastCD software includes comprehensive status reports, multimedia support, and asynchronous disk access for higher throughput during multiple concurrent accessing.

CDEXECUTIVE™ CD-ROM NETWORK SERVER

The CDexecutive /XF5500 CD-ROM network server provides a turnkey solution for multiple concurrent accesses to CD-ROM applications in a multi-platform, multi-protocol environment. The Pentium™ based XF hardware architecture is bundled with Logicraft's high performance CDexecutive Management Center software that automatically monitors and manages CD-ROM applications as a background Windows NT™ service. Client support includes Windows® 95, Windows® for Workgroups, Macintosh® and NetWare clients. The XF server holds up to 14 SCSI devices and comes equipped with IDE hard drive, network interface card, floppy drive and SCSI host adapters. It runs at 120MHz, has 32MB of RAM and supports up to 56 SCSI devices.
